The phishing SMS message and fraudulent website intend to steal customers’ information, including Internet Banking number/username and Internet Banking password. BOCHK declares that it has no connection with the phishing SMS message and fraudulent website. Meanwhile, the case has been reported to the Hong Kong Monetary Authority and the Hong Kong Police Force.

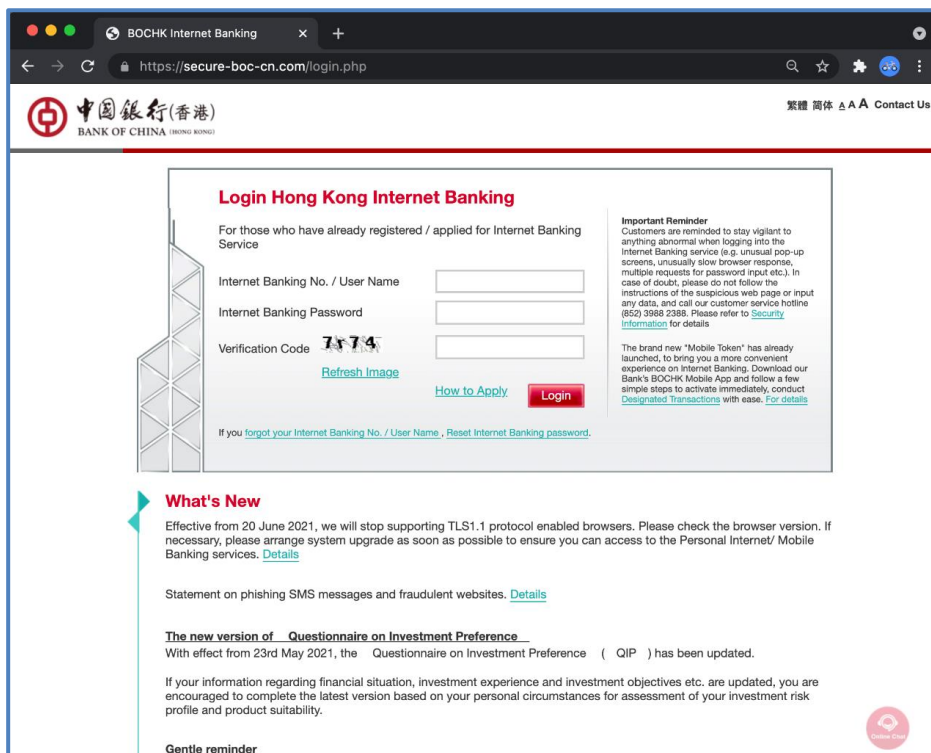

When conducting transactions through electronic channels, customers are advised to access their Internet Banking or Mobile Banking accounts by typing the website address of BOCHK (www.bochk.com) directly into the browser address bar, or through the BOCHK Mobile Application downloaded from official App stores or reliable sources. Customers should not access such accounts or provide personal information (including passwords) through hyperlinks, QR codes or attachments embedded in SMS messages, e-mails or on websites. BOCHK will update the fraud alerts on the bank’s website from time to time. For details, please visit www.bochk.com/en/aboutus/fraudalert.html. For more security information about BOCHK’s electronic banking services, please visit www.bochk.com/en/security.html.

Anyone who has logged into the aforesaid fraudulent website and provided their information should immediately contact BOCHK Customer Service Hotline at (852) 3988 2388 (press 3, # and 2 after language selection).
